

Volunteer and Fundraising Commitment Form

2010- 2011 Season

As in previous years, our main **fundraising** activity is grocery certificates. The certificates do not cost the buyer anything above the value of the certificate. There will be Sobey's, Safeway, Save on Foods and Superstore certificates available for purchase.

- We require each family with a **private lesson** skater to purchase \$2000 in grocery certificates over the course of the season (September 10 – March 11). A \$200 cheque dated February 28, 2011 is required at registration, and will be returned or destroyed if the complete requirement is fulfilled.
- We require each family with a **group lesson** skater to purchase \$1000 in grocery certificates over the course of the season (September 10 – March 11). A \$100 cheque dated February 28, 2011 is required at registration, and will be returned or destroyed if the complete requirement is fulfilled.
- We will continue to offer the following credit program, for families who purchase more than their minimum requirement:

The LFSC will give families a credit of 3% of the excess grocery vouchers purchased above the required amount for the current fiscal year. Credit can be used for

- 1) Next season's registration fees
- 2) June Ice/ Summer School fees

Credit must be used within 12 months of the end of the fiscal year in which it was accumulated. Credits are non-transferable, and cannot be redeemed for cash. LFSC's fiscal year is April 1 – March 31.

We also recognize the importance of **volunteering**, and each family's time commitment is important for a successful season. Volunteer opportunities will be posted on the bulletin boards throughout the season, and in the monthly newsletter.

- We require each family with a **private lesson** skater to perform 15 hrs of volunteering over the course of the season (Including a mandatory minimum of 5 hrs at the Chinook Open Competition held April 2011). A \$200 cheque dated February 28, 2011 is required at registration, and will be returned or destroyed if the complete requirement is fulfilled.
- We require each family with a **group lesson** skater to perform 10 hrs of volunteering over the course of the season. A \$100 cheque dated February 28, 2011 is required at registration, and will be returned or destroyed if the complete requirement is fulfilled.
